GRACE HOMESCHOOL CLASSES

As each one has received a gift, minister it to one another, as good stewards of the manifold grace of God. 1 Peter 4:10

Grace Homeschool Classes program is not a school, but an experience that Christian homeschooling families cannot get anywhere else! We offer a wide variety of full support tutoring classes taught by experienced teachers that will supplement and enrich your education of your children at home. We also offer field trips, dances, and fun events. You will have fun and fellowship with other Christian homeschooling families in a safe and godly environment.
